

Press Release

7. August 2019

Equipment with added value: caravans with a price advantage of up to €6,759

Jandelsbrunn. Who doesn't dream of just hanging everything up and setting off on a great adventure? Nothing easier than that, because **Knaus Tabbert** has the perfect motorhome to suit any budget. The total offer ranges from the iconic **T@B 320** (€10,340) to the rolling VIP lounge **TABBERT CELLINI SLIDE OUT** (€71,690).

In addition to the fun of travelling, is the fun of saving: **KNAUS** and **WEINSBERG** vehicles are not only among the most advanced vehicles on the market, but in comparison to the competition are also often price-performance champions. Beyond this, **Knaus Tabbert** offers various models and equipment packages, which in comparison to the list price offer attractive additional value at an incredible price advantage.

KNAUS SPORT SILVER SELECTION

For the multi-talented **SPORT** (starting from €14,850), **KNAUS** has put together an especially attractive advantage package. In the class of medium-sized vehicles, the "CARAVANNING" magazine anointed the **SPORT** to the "Caravan of the Year". It can sleep up to six. The **KNAUS SPORT SILVER SELECTION** is available in all 15 floorplans and each one will be given a weight increase. This increases the permissible total weight of the entry-level caravan to between 1,300 and 2,500 kg – enough to enjoy even long journeys with lots of luggage in a relaxed manner. Caravan-specific details such as the AL-KO AAA Premium brake, a support wheel with integrated load indicator, and heavy-duty crank supports are also standard on board.

17-inch alloy wheels, a mobile 25-litre waste water tank, a socket plus package, a combi exterior socket (electricity and TV), vent windows in the T-room and a smoke detector are further details of the extensive **SILVER SELECTION**. All of this comfort doesn't have to be expensive, as is reflected in **the price advantage: customers can save up to €5,161**.

TABBERT DA VINCI FINEST EDITION

With the **DA VINCI** (beginning at €20,070), **TABBERT** also has a true family friend in its line-up. Eleven layouts with up to eight sleeping accommodations are available. Those customers who want to add more value can order the exclusive **FINEST EDITION with a price advantage of up to €6,759**. Depending on the version, the additional standard equipment includes an additional load of up to 2,500 kg permissible total weight (the AL-KO Big Foot), which prevents the heavy-duty supports from sinking in or slipping off. In addition, numerous other details such as frame windows, the **TABBERT** comfort sleep system, a 21.5-inch television, a shower device with fittings and curtain, a fill level indicator, and the awning light with motion detector.

WEINSBERG CaraOne EDITION [ICE]

The year-round caravan **WEINSBERG CaraOne EDITION [ICE]** is also the first choice for winter campers. The price-performance hit, which is available in two layouts with up to eight beds, is already **available from €30,390**. The equipment highlights include the elaborate insulation, an Alde warm water heater, and frost-free installed water pipes. Comfort details such as extended ambient lighting or spring-core seat cushions round off the luxurious features. Those who value even more comfort and visual presence can also order a special **winter tent package (price advantage €875)** and a **design package (price advantage €784)**.

TABBERT ALL-ROUNDER PACKAGE

Customers that purchase a new **TABBERT ROSSINI, DA VINCI, PEP, VIVALDI or PUCCINI** can configure it even more individually beyond the already extensive equipment, thereby further increasing the comfort. For this purpose, **TABBERT** has the **ALL-ROUNDER PACKAGES with price advantages of up to €4,856 in its range**. They are available for mono-axle vehicles, tandem axles, and tandem axles from 2,401 kg. Additional equipment details include a Truma DuoControl CS gas pressure regulator with gas filter and remote display, 21.5-inch television, the Truma Mover shunting aid, an antenna package, radio with DAB+, CD, MP3, USB and Bluetooth as well as a 12V supply package. Tailor-made **ALL-ROUNDER PACKAGES** are also available for the **TABBERT DA VINCI FINEST EDITION** and offer a **price advantage of up to €3,848**.
