

## Press Release

15 March 2021

### Your “Plus” of freedom: The KNAUS VAN TI PLUS now available as the fully equipped PLATINUM SELECTION

**Jandelsbrunn.** The **MAN TGE-based KNAUS VAN TI PLUS** is all about exceptional driving dynamics, maximum living comfort and a striking design. With the very latest safety features and driver assistance systems, the partially integrated motorhome not only offers a “Plus” in terms of freedom, but also safety too.

The popular top-selling 650 MEG single bed layout is now available as the **fully equipped PLATINUM SELECTION**:

The exterior design, with its metallic Indium Grey chassis, Campovolo Grey smooth sheet metal side walls, special model stickers and 17” MAN light alloy wheels, reflects the dynamic character of the vehicle. The KNAUS CATEYE evolution rear tail lights, with their exclusive night-time signature and dynamic LED indicators, are easy to spot and provide extra safety, including when there is poor visibility. The VAN TI PLUS PLATINUM SELECTION also features an awning light with motion detector, electrically adjustable heated side view mirrors, awning in anthracite, driver's side service door, convenient gas bottle pull-out and 2-channel rear axle air suspension for improved driving comfort and controlled driving height. This exclusive equipment also includes the PREMIUM cabin door with multi-locking feature, windows with blackout blind, integrated umbrella compartment and KNAUS design multifunctional storage bag. The insect protection door and large front tilting window with insect protection allow plenty of light and fresh air into the cabin whilst also keeping uninvited visitors out.

The PLATINUM SELECTION's interior impresses with the hard-wearing ACTIVE ROCK upholstery and special model stickers, ambient lighting, Midi-Heki with lights, chrome pack and single bed extension to create a large lying surface. The pilot comfort seats in the driver's cabin can be rotated and are height adjustable, and the front and side windows can be darkened. Its technical equipment includes digital radio reception (DAB+), multifunctional steering wheel, MAN Media VAN Business navigation system, start-stop system with braking energy recovery, rear view camera and several driver assistance systems ensuring maximum safety, such as fatigue detection, cruise control with speed limiter, hill assist, emergency brake assist and multi-collision brake. The PLATINUM SELECTION is also equipped with air conditioning, BWT water filter system, Truma iNet system, CP-Plus control panel and Oyster 60 Premium Twin complete antenna system with 32” LED TV and TV pre-wiring in the sleeping area. A voucher on board the vehicle can be used to order your free MediKit – a set featuring wound spray, disinfectant spray and various pharmacy-supplied medicines.

The new VAN TI PLUS PLATINUM SELECTION comes with 103 kW front-wheel drive and 6-speed gearbox as standard, but is also available ex works with 130 kW front or all-wheel drive and 8-speed automatic gearbox.

Compared to the series model and its corresponding equipment, PLATINUM SELECTION has an enormous price advantage.
