- HE Datin Paduka Dr Adina Kamarudin, Malaysian Ambassador to Germany, presents innovation award to Knaus Tabbert

Jandelsbrunn, 18 June 2024. Knaus Tabbert is delighted to welcome a distinguished visitor and receive a prestigious award. At this year's dealer conference in Bad Griesbach, Lower Bavaria, HE Datin Paduka Dr Adina Kamarudin, the Malaysian Ambassador to Germany, praised the KNAUS BOXDRIVE, naming it as the most technologically advanced and luxurious campervan in Malaysia.

Knaus Tabbert Board Members Wolfgang Speck (CEO), Werner Vaterl (COO) and Gerd Adamietzki (CSO) were delighted to take to the stage and receive this important accolade from the Ambassador. The winner was decided during the 2024 edition of the Malaysia Commercial Vehicle Expo, which was held in May. In the KNAUS BOXDRIVE, the judging panel of Asian caravan industry experts saw a particularly innovative campervan, based on the dynamic MAN TGE chassis. The winning model is also one of the bestsellers in its segment in this part of the world.

For Knaus Tabbert, this award adds to the considerable international recognition of our development and production performance. On receiving the award, Wolfgang Speck (CEO) said: "For us, this award recognising the technological excellence of the KNAUS BOXDRIVE marks an important milestone in our growth strategy. The Asian market in particular promises exciting opportunities for future development and the reinforcement of economic cooperation for a particularly innovative producer such as Knaus Tabbert. We are therefore very pleased to welcome Her Excellency Datin Paduka Dr Adina Kamarudin, the Malaysian Ambassador to Germany. We consider it an extraordinary honour that she has personally presented us with this award at this year's Knaus Tabbert dealer conference, and see it as a strong sign for the future development of our activity in Malaysia."
